Lindsay-

Nicki's on vacation today, so I'll respond: your proposed one-week extension is fine.

That said, it appears that your client has produced a total of only 361 emails. When will it be producing the rest of its emails and other ESI?

Subject: adidas v. TRB: requested extension of time

Dear Nicki,

I am writing as a follow up to my voicemail requesting a 1-week extension for Defendant to serve its response to Plaintiffs' Second Request for Production of Documents. As I mentioned in my voicemail, I am travelling to a funeral.

Please let us know if you are amenable to this short extension. Of course, if you agree to our requested extension we will reciprocate should adidas and Reebok desire the same extension of their time to respond to Defendant's Third Request for Documents. Thus, the parties' discovery responses which are currently due on June 20th would be extended to and including June 27th.

Thank you,

Lindsay
